Response E – Response to Non-Compliant Amendment

Sir:

Pursuant to 37 C.F.R. § 1.121 and in response to the Office Action mailed April 10, 2006, the following correction is submitted for your consideration.

Claim 19 had been previously presented as printed below in our Responses filed on April 22, 2005, August 17, 2005 and February 1, 2006.

19. (previously presented) The absorbent article of claim 7 wherein the composition further includes a skin care ingredient selected from the group consisting of allantoin and its derivatives, aloe, aluminum hydroxide gel, calamine, cocoa butter, cod liver oil, dimethicone, glycerin, kaolin and its derivatives, lanolin and its derivatives, mineral oil, petrolatum, white petrolatum, shark liver oil, talc, topical starch, zinc acetate, zinc carbonate, zinc oxide and mixtures thereof.

The underscore that appears between the words 'of' and 'allantoin' in line 2 of the claim was inadvertently left in. Please replace claim 19 with the corrected version printed below.
